

2020

# Libertyville Township Road District Annual Report

April 13, 2021  
Annual Town Meeting

# Libertyville Township Road District

The infrastructure is severely deteriorating across our country and Lake County is certainly not immune to it.

## The Road District maintains unincorporated Libertyville Township roads and right-of-ways. Some of the services provided include:

- Winter snow & ice control
- Resurfacing roads
- Repairing potholes
- Constructing & maintaining drainage, storm sewers and culverts
- Right-of-way mowing
- Shoulder graveling
- Bridge repair
- Tree trimming
- Spring clean-up
- Road striping
- Crack sealing
- Right-of-way permits

# Oak Spring Road Drainage Improvement Project

Project area was from Hawthorne Lane to Oak Spring Lane.

## Snow & Ice Events

1,100 tons of salt & 100 gallons of brine were applied to Township roads.

## July Rain Event Clean-up 2020

The large event required assistance from Ela and Warren Township Highway Departments.

# Casey Road Culvert Replacement Project

# Countryside Manor Stormwater Project
