

2021
Libertyville Township Road District
Annual Report

April 12, 2022

Annual Town Meeting

Libertyville Township Road District

The infrastructure is severely deteriorating across our country and Lake County is certainly not immune to it.

The Road District maintains unincorporated Libertyville Township roads and right-of-ways. Some of the services provided include:

- Winter snow & ice control
- Resurfacing roads
- Repairing potholes
- Constructing & maintaining drainage, storm sewers and culverts
- Right-of-way mowing
- Shoulder graveling
- Bridge repair
- Tree trimming
- Spring clean-up
- Road striping
- Crack sealing
- Right-of-way permits

Snow & Ice Events

741 tons of salt & 500 gallons of brine were applied to Township roads.

Resurfacing of roads and culvert replacements in Arcadia, Bull Creek, and Knollwood subdivisions \$350,000
