

Basic Budgeting: Tools and Techniques

Too much month at the end of your money? Having trouble making ends meet? Need to get control of your finances? Making more and saving less? Libertyville Township has partnered with Consumer Credit Counseling Services of Lake County (CCCS) to provide a 90 minute workshop on **Basic Budgeting!** **Basic Budgeting** is designed to assist you in setting up a budget. During this workshop you will be introduced to tools and techniques you can use to manage your income and control expenses. You will be provided information and tools to take with you and use to help you address your financial situation.

These **Basic Budgeting** workshops are held every second Monday evening at the Libertyville Township Office, 369 Merrill Court, Libertyville, IL 60048. For additional information and to register for the workshop, please call Linda Blatnik at (847) 816-5989.

CCCS of Lake County is a not-for-profit credit counseling agency affiliated with the National Foundation for Credit Counseling (NFCC) and serves McHenry and Lake Counties. It is a HUD-approved agency for housing counseling and a court-approved agency for bankruptcy counseling.
