HIGHWAY PERMIT BOND POLICY

- 1. A 10% cash bond is required before work is started. Apply for and obtain a Driveway Approach Permit and a Highway Bond Permit from the Highway Commissioner, Marty Neal, at 847-362-3350 prior to starting any work.
- 2. The Highway Commissioner will determine the size and length of culvert pipe if required. Culvert pipe will be purchased and installed by the homeowner/contractor per the Highway Commissioner's specifications.
- 3. Edge of road and right-of-way must be built up before moving in heavy equipment.
- 4. Six ton load limit per axle will be enforced.
- 5. Mud and debris on road or right-of-way must be cleaned up and removed from the right-of-way daily as per Chapter 121, Illinois Revised Statutes.
- 6. Road, shoulders, ditches and any other areas must be restored to its original condition.
- 7. Cement trucks are not to be cleaned or contents dumped on the Township right-of-way.
- 8. If the above policies are not followed or work is not completed satisfactorily, all or a portion of the bond may be used by the Highway Department to complete said work.
- 9. Request for the return of bond money must be made within two years of permit date or bond will be forfeited to the Highway Department. There will be no interest paid or fees charged on Highway Permit Bond.
