Re: Libertyville Township 2019 Road Program

Dear Resident:

The Libertyville Township Highway Department would like to notify you that construction operations for the 2019 Road Program will get underway later this summer. This year the Township elected to combine the Road Program with the Villages of Libertyville, Vernon Hills, and Mundelein to achieve lower bid prices. Peter Baker & Sons of Lake Bluff, IL was selected to complete this year's road program. We will provide further detail on the contractor's expected schedule as it becomes available.

The locations for the proposed roadwork as well as the general scope of work are as follows:

Mill and Resurface:

Location	From/To
Casey Road	US 45 to Almond Road
Liberty Road	Casey Road to Steger Road
Ranch Road	Casey Road to Steger Road
Steger Road	Ranch Road to Liberty Road

(Note: The scope of work includes removal of 1.5" of surface asphalt, placement of 1" of leveling binder, 2" of surface course, and gravel shoulder restoration. No roadway widening or profile changes are proposed.)

Surface Patching Only, 3":

Location	From/To
Countryside Drive	Old Peterson Road to Bull Creek Drive
Country Court	Countryside Drive to End
Valley Court	Countryside Drive to End
St. Andrews Drive	Bull Creek Drive to End
Pinehurst Court	Bull Creek Drive to End

We anticipate closing Casey Road to thru traffic on two separate days to replace roadway culverts, but otherwise the roads will remain open to traffic. Occasional delays and lane closures should be expected and your patience is appreciated. If you should have any questions concerning this work, please contact me at (847)-478-9700 or via email at dstrahan@gha-engineers.com.

Sincerely,
